Hey Tana;

I'm in all day Thursday so that works. I'm out of town Friday and Saturday, but will be available Sunday just to be clear. Let me know if anything changes. MTA

Hi Kathi,

Starting tomorrow Kay is going to be the PSC and Mary Aycock is the SILT for the Gold King incident. Mary isn't available Friday so I'll look for someone to support Kay.

Please forward the daily schedule to both of them.

Thanks,
